Notes

The cover dimensions are measured from edge to edge.

Special sizes are available at a surcharge of EUR 21,- added to the price of the next size.

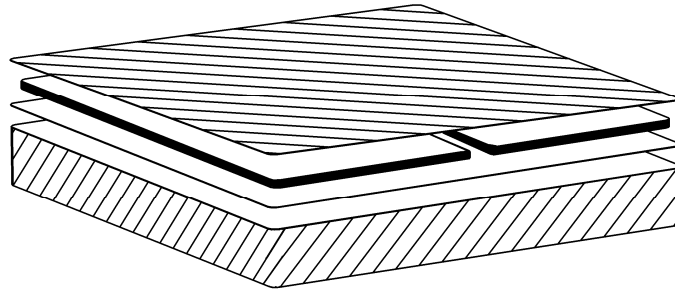

Split cover is available from the size 150x200 at a surcharge of EUR 21,-.

New tops for the covers can be ordered within the first five years.

The hardside cover with integrated liner is only available in standard sizes.

Comfort top

Is fastened with zippers between the customer's existing cover and a bottom and forms a pocket to be filled with an extra layer of stabilisation fibre. A higher stabilisation and a more firm comfort are achieved. At the same time, the comfort top has an insulating effect:
